## **DETAILED ACTION**

### ***Claim Rejections - 35 USC § 102***

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 7-14 are rejected under 35 U.S.C. 102(b) as being clearly anticipated by Munk et al.

3. Claim 15 is rejected under 35 U.S.C. 102(b) as being anticipated by Pardoel et al.

### ***Allowable Subject Matter***

4. Claims 1-6 and 14 are allowed.

5. Claims 16-19 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

### ***Response to Arguments***

6. Applicant's arguments filed September 30, 2005 have been fully considered but they are not persuasive. Contrary to applicant's remarks as they relates to claims 7-14, the opening in the upper boundary of Munk et al. is all that is above the ceiling of the 9<sup>th</sup> floor and the one opening is the purge register 80 on the 9<sup>th</sup> floor.

7. As to applicant's remarks as it relates to claim 15, In response to applicant's argument that Pardoel et al. does not disclose handling smoke, since the prior art struc-

ture of Pardoel et al. is capable of performing the process of handling smoke, then it meets the claim.

### ***Conclusion***

8. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
